

KARESS™

SPECIALTY THERMAL OVERLAMINATE FILM

LuxeFilms® Karess™ is the most popular multi-sensual overlaminate, adding a dynamic tactile dimension to the allure of print. It feels as delicate as a rose petal, and as luscious as silk. Durable, scuff-resistant and ultra-matte, this laminate will protect and enhance premium prints and packaging products, giving them an expensive and luxurious feel. **Karess™** provides a vivid color clarity surpassing that of any standard matte laminating film. Also available with UltraGrip® adhesive for digitally printed projects.
